## Profile

Motivated and detail-oriented fresher with a Bachelor's degree in Computer Science. Eager to kickstart a career as a python developer, possessing a solid foundation in python programming and software development principles. Strong analytical and problem-solving skills coupled with excellent communication abilities make me an ideal candidate for a python developer role

## Experience

Eduskills	December 2022 – February 2023 Data Analytics Intern
<ul style="list-style-type: none"><li>Participated in an AWS Data Analytics virtual internship, gaining hands-on experience with cloud-based data solutions. Developed proficiency in AWS services such as S3, Redshift, and Glue for data storage, processing, and ETL tasks.</li><li>Collaborated on real-world projects, analysing large datasets and visualizing insights using Quick Sight. Enhanced skills in SQL, Python, and data modelling, contributing to optimized data pipelines and informed business decisions.</li></ul>	

## Project

To-Do App
<ul style="list-style-type: none"><li>A Django-based to-do app that enhances task management. This project integrates userfriendly features, such as task creation, prioritization, and completion tracking. Utilizing Django's robust framework, the app ensures seamless data storage, retrieval, and authentication, offering a streamlined and efficient solution for organizing and managing daily tasks.</li></ul>
Student Management System
<ul style="list-style-type: none"><li>A Django-powered student management system for seamless academic administration. This project facilitates student Enrolment, record-keeping, and performance tracking. Leveraging Django's powerful framework, it ensures efficient data management, user authentication, and customizable reporting, providing a comprehensive solution for educational institutions to streamline administrative tasks.</li></ul>

## Skills

Skills:- Python | Django | HTML | CSS | MySql | Microsoft technology

## Education

Bachelor of Technology	Greater Noida
Mangalmay Institute of engineering and technology	2019 - 2023
<ul style="list-style-type: none"><li>Computer Science and Engineering</li></ul>	7 CGPA

## Achievements

<ul style="list-style-type: none"><li>Eduskills – Data Analytics Virtual internship</li></ul>	Dec2022 -
<ul style="list-style-type: none"><li>Feb2023</li></ul>	
<ul style="list-style-type: none"><li>Python - Certification</li></ul>	
<ul style="list-style-type: none"><li>Django – Certification</li></ul>
